

Not Going to College?

You've Got Options!

Wednesday, July 10 at 1-3pm

at Northside Library

705 Rio Road W., Charlottesville

Join Career Works as they introduce parents and students to excellent alternatives to college. Even if you didn't finish high school there are career options that will be discussed. Learn why you should consider other kinds of training and preparation for a job or career, and discover resources like Workforce Innovation Opportunities Act (WIOA), Job Corps, apprenticeships, and more. Afterwards, sit down with presenters to discuss how to get started.
